Administrative Hearing Officer

GIG Partners/Bassano Bar

On September 12, 2018 - I applied ~~REB~~ for the following positions with the above stated

Company: JVA 18-09-62944 Waitstaff (and)

JVA: 18-09-62943 Bartender. I was given an

interview for only the bartenders' position, as

of this filing I have not been hired by the above-stated Company; though, I believe that I am qualified for that position, moreover, it is my belief that the above-stated Company hired a foreign Citizen visa worker for the position.

I am asking for back pay, and that this Company be disciplined.

Good afternoon, in response to your attempt at the interview on the above-stated date, please be advised that I have a pre-existing dental appointment and later in the day must meet with a specialist coming to Saipan from Guam regarding leg pain issues.

Therefore, I am giving notice that said interview shall need to be re-scheduled; further, I am hereby requesting that i shall be allowed to audio/visually record said interview.

It should be noted that during my previous "bartending" interview members of the gig staff recorded said so- . called bartending exam" and I was not furnished with a copy of said recording.

thank you for your co-operation in this matter

Hello, mr. thompson

Your client again has made false claims against me; therefore i have again filed a federal retaliation / harassment complaint with the federal authorites.

I have asked your staff to contact your client and ask that they " cease and desist" from their current harassments/ and or obstructions; tonight i have invited a number of fema, sba and military members to come enjoy my " Glow" event.

I shall continue to fight against your clients continued negative behavors.

Further, i am asking that all audio/ visual evidence of said claimed negative behaviours of and by myself be perserved for review by the proper federal investigating authorities.

Thank you for your understanding and resolution to these unwarranted lies and refusals against me.

Thank you

Good day, as stated during the interview earlier today, due to my extreme deadline involving my child's daycare I could not complete/ begin the bartenders' drink preparation demonstration; therefore, I asked that at this time the bartenders position be cancelled until a later date and that I would apply for the wait staff position.

thank you for your understanding.
